9. ENTER ONLY SWIMMERS WHO WILL BE COMPETING IN THAT EVENT

Note: Coaches: It is ultimately your responsibility to check and verify that a diver's state score and DD are listed and marked on your meet sheets.

- In order to qualify under the 6-dive standard, the diver must meet the qualifying standard two times during the season.
- In order to qualify under the 11-dive standard, the diver must meet the qualifying standard only once during the season.

Note: The diving DD (Degree of Difficulty) refers only to the OPTIONAL dives. (The sum of the 5 optional dives in a 6-dive meet or the sum of the 6 optional dives in an 11-dive meet.)

Note: If more than 32 divers compete at the state meet, the field will be cut to 32 divers after 3 rounds.

Note: All divers competing in the state meet must have a dive list that satisfies the optional dives DD standard based on their classification on their diving score sheet at the state meet.

10. **NEW:** Entry Limits – Individual Swimming Events: A school may enter as many competitors per individual event as have qualified. However, a school may not advance more than four swimmers to the finals or consolation finals. If more than four swimmers from one school qualify for the finals or consolation finals, only the top four swimmers from that school may advance. In addition, if a school has four swimmers advancing in an event, that school may NOT have any alternates designated for that event.
11. Entry Limits – Relays: A school may enter no more than one relay team per relay event. Schools qualify a relay team, not the four individuals (i.e., the four swimmers who established the qualifying time need not be the swimmers who compete). Relay entries must list a minimum of four names and a maximum of eight names. Only those listed are eligible to swim in the state meet. A swimmer is considered entered in a relay only if she competes in the event at the state meet.
12. **NEW:** Entry Limits – Diving: A school may enter as many divers in the diving event as have qualified. However, a school may not advance more than four divers beyond any cut. If more than four divers from one school qualify beyond a cut, only the top four divers from that school may advance. In addition, if a school has four divers advancing, that school may NOT have any alternates designated.
13. **NEW:** A competitor must have competed in a minimum of four meets during the current swim season for her school, EXCLUDING THE LEAGUE MEET, in order to compete at the state meet. Swimmers who meet this requirement do not necessarily have to swim in the league meet. THIS IS A CHANGE FROM PREVIOUS YEARS.
14. In order to avoid delays with your entries, ensure all information as defined in the State Entry forms is complete. Reference Checklist on the STATE ENTRY COVER SHEET (both found online).
15. Final heating for each event will take place at the CHSAA on Tuesday, February 6, 2017, -- **NOT ON THE DECK AT THE STATE MEET.**
